Fabrics

Fabric Groups:

NaughtOne upholstery is graded into prices relating to this fabric list. We can also quote to use most fabrics - contact us directly or speak to your dealer for pricing.

Leather:

Prices are based on NaughtOne selected leathers which can be supplied and sampled direct from NaughtOne. If a specific leather is required we can provide a bespoke quotation based on your requirements.

COM (Customer's Own Material):

Before placing orders in COM, NaughtOne must approve the selected fabric for use on upholstered goods. At this point we will supply the required linear metre fabric quantity.

- A linear yard must be at least 55" / 140cm wide.
- It is the customer's responsibility to make sure the fabric passes suitable fire regulations.

Standard Finishes

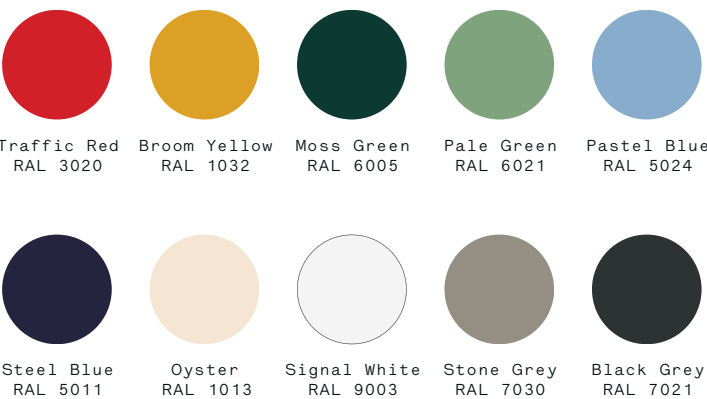

NaughtOne has selected a number of RAL colours which we can offer as alternative colours on a wide variety of product components in our range. For example you could have a Pale Green Polly chair or a Light Pink sled base on your Hush chair maybe. Look out for the colour base upcharge on the individual product pages.

The RAL colour system is a range of reference colours used mainly for industrial finishes. Please note that NaughtOne can offer further RAL options on a POA basis. References: www.ralcolor.com

RAL Colours

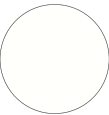

Polypropylene Colours (Polly and Ruby)

Standard Finishes

MF MDF

Melamine Faced Medium-Density Fibreboard (MF MDF) provides many of the advantages of MDF with a decorative and hard wearing surface layer. The melamine has a subtle burnished surface detail which is slightly textured. The table top edge can be finished with a reverse chamfer polished, clear lacquered edge or a matching white/black edge band.

RAL 9010

Black
RAL 9005

Oak/Walnut Veneer

Veneered Medium-Density Fibreboard (MDF). At Naught One we use crown cut American White Oak and American black Walnut decorative veneers to give your table top that natural finish. The table top edge can be finished with a reverse chamfer polished, clear lacquered edge or a matching veneered edge band.

Black Walnut

Carrara Marble

Carrara marble is our standard natural high quality white marble, it is quarried at the city of Carrara in the province of Massa and Carrara in the Lunigiana, the northern tip of modern-day Tuscany, Italy.

Forbo Desktop Lino

The desktop furniture linoleum collection consists of 20 elegant colours that add a distinctive touch to our table tops. Forbo desktop lino has a water-based finish that prevents scratching and staining, while at the same time ensuring that the surface is warm to the touch with a matt finish. The desktop linoleum is adhered to MDF sheets before being cut to size and finished with a reverse chamfer polished clear lacquered edge.
