

NaughtOne

Duke Corporate Education
Case Study

Duke Corporate Education

London, UK

Duke Corporate Education is a blend of university and business, and their newly designed offices reflect that. The most recent addition to the NaughtOne portfolio, Polly 5 star has been used in a meeting setting environment, outside the reflection pod and creativity studio. In the kitchen area, Polly chairs, Construct bar stools and Fold cafe tables have been used in vibrant colours, to create a striking picture against the white of the units.
