# MetInvest Corporate University Ukraine

The workplace of MetInvest Corporate University in Kiev, Ukraine has been redesigned to include a luxurious welcome area with living wall, and break out spaces that employees can move to, to work away from their desks, have informal meetings or to simply relax in.

To help create these much needed areas, the designers have chosen to use one of NaughtOne's modular sofas Hatch has been used in various configurations along with Cloud Quilt high back sofas and low back armchairs, and the Always Lounge.
