Case Study

University of Northampton Learning Hub Northampton, UK

The Learning Hub of the University of Northampton is described as being a WOW zone, with its double height atrium, huge windows that let light flood into the space and splashes of vibrant yellow. The Learning Hub is used by students to collaborate with teams, study independently and also take time to relax with friends in the outside area.

Ralph & Smith have created an incredible space using a variety of NaughtOne furniture.

Designed by:
Ralph & Smith

The space includes Cloud high back sofas, Pinch, Always, Reg, Trace, Frog, Viv, Construct bar stools, Fold, Hush Low sofas and Rhyme modular seating. It really is a spectacular display of NaughtOne products within an educational setting.
