Testing

Structural Testing Certifications

LASSTTAB

Lasso single seat
with table
BS EN 16139:2013, Level 2
Static load 200 kg

Flammability

The cold cure foam material has
been tested to meet the following
standards:

- British standard:
5852:2006 Part 2
- California Technical Bulletin:
117-2013
- Italian standard:
UNI 9175-CLASS 1.1M

The flammability standard of the
covering fabric is dependent on
the choice made by the customer.

10 year warranty

Our decade-long warranty is
proof of our commitment to
robust engineering and durable
design, built on our belief
that long-lasting products
are essential to sustainable
business practice.

Product Sustainability Statement

The Lasso Stool is available in a range of options, but for the
purpose of this document we have a specific example from the
range: Lasso Stool with table.

All figures use UK-based industrial manufacturing data. The kg CO₂e calculations are based on the
cradle-to-gate phases of a Life Cycle Assessment at NaughtOne's factory in Elland, UK.
