

Fabric Sustainability

This document serves as a general guide:
For detailed information on fabric properties, please refer to the manufacturer's website.
For textile flammability treatments, increase Fabric Band by +1.
It is the customer's responsibility to make sure the fabric passes suitable fire regulations.

	Product Ranges	Composition	Renewable	Martindale cycles	Location of raw material	Produced	Manufacturers Warranty	Recycled, what and %	Can material be recycled at end of use?	Can material be re-used at end of life?	Is the product compostable?
