Flammability

The cold cure foam material has been tested to meet the following standards:

— British standard: 5852:2006 Part 2
— California Technical Bulletin: 117-2013

The flammability standard of the covering fabric is dependent on the choice made by the customer.

10 year warranty

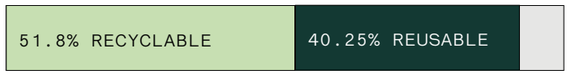

Our decade-long warranty is proof of our commitment to robust engineering and durable design, built on our belief that long-lasting products are essential to sustainable business practice.

Product Sustainability Statement

The Pippin Chair is available in a range of options, but for the purpose of this document we have a specific example from the range: Pippin Chair with strap handle and castors.

All figures use UK-based industrial manufacturing data. The kg CO_2e calculations are based on the cradle-to-gate phases of a Life Cycle Assessment at NaughtOne's factory in Elland, UK.
